Dear Residents,

We have introduced our new salon, Muir Salon, as our new partner in the HealthyLife™ Center. In the past, it has been our policy that no tipping is allowed on the Trillium Woods campus. However, under the new salon management, it is up to each resident to decide if a gratuity is to be granted for your salon service(s).

Tipping is allowed only via the Full Count system (no cash is permitted). There will be a gratuity line on your receipt if you wish to add a tip at your discretion. This amount will be added to your account.

**Please note this is the only exception to the Trillium Woods no tipping policy. No other tipping is allowed outside of Muir Salon.**

If you have any questions, please contact me.

Warm regards,
