

SAY HELLO TO

# Christine Fiesta

WAIT STAFF

Christine has joined the wonderful wait staff team at 15 Craigside. Originally from the Philippines, she recently moved to Hawaii five months ago. Since then, Christine has completed a training course to become a CNA and is interested in later pursuing her licensure.

In the meantime, she enjoys working with her friendly, supportive co-workers. Her free time is spent with her family, including her three year old son, who loves to watch YouTube with mom to expand his English skills.

Please help us welcome Christine to the 15 Craigside community!

You can visit her in the 15C Dining Area
