

THE SAGEWOOD ART WALL  
PRESENTS EXHIBITION NUMBER NINE  
JANUARY 4 – FEBRUARY 15, 2019

## DAVID GOODELL: BIRD PHOTOGRAPHS

David Goodell has been seriously photographing since 2001. As a photo guide for Arizona Highways Photoscapes he has staffed approximately 40 workshops over the last 16 years.

David became fascinated with hummingbird photography, which has expanded into photographing all birds. He has been fortunate to travel across the US, Canada, Costa Rica, and Ecuador in search of his favorite subjects.

Future displays on the Sagewood Art Wall will feature some of David's animal and landscape photography. Additional photographs are also displayed in the Building 3 Mailroom.
