The Life Enriching Communities Foundation promotes Life Enriching Communities' impact of helping people live their best life possible in Christian community through engaging others to generate needed resources for residents and associates.

Grateful Hearts Program at Twin Towers

*Recognizing associates
who make a meaningful difference.*

Caring with a purpose

On any given day, you likely interact with members of the nursing, dining or maintenance and housekeeping teams. Perhaps one of the many associates at Twin Towers has taken the time to make your experience exceptional. If so, please consider a gift to the Life Enriching Communities Foundation in their honor and share what a meaningful difference they have made.

Making us better to help others

Make a donation in honor of a Twin Towers associate who made a difference in your life or the life of a loved one. Write a brief note to share your thanks and we will recognize your honoree to commemorate both their service and your generosity.

The greatest benefit of supporting those who make a difference to you is the knowledge that you are making a difference in the lives of others.

Gifts like yours enable us to provide care for those in need, seek innovative approaches to senior care and offer exceptional experiences to our residents and patients.

Thank you for making a difference!

In appreciation of:

Please share why:
