

Hi Odyssey Users! We have some new features that will be available soon:

*** Unsubscribe Feature**

When receiving an email from Odyssey, there is now an option to unsubscribe from email notifications directly in your email. The email will also include a link to login and manage your notification settings.

*** Viewing PDFs in Mobile View**

The mobile view experience has been updated to reflect the desktop view. PDFs can be downloaded and saved, just like the desktop experience.

Family Engagement | Community Engagement | Connected Clinical | Chronic Care Management

Questions? Please contact your helpful client experience team at support@caremerge.com. We are eager to assist you!
