

## WOULD YOU LIKE TO BE A RESIDENT PEN PAL?

Do you like to write? Do you have a story you'd like to share with young students? We are looking for resident volunteers who are interested in becoming a pen pal with Redding Elementary School children this fall.

As a participant in the program, each resident volunteer will exchange letters (and photos) with a student you are paired with over the course of several months. At the conclusion of the program, Meadow Ridge will host an afternoon reception with tea and cookies for you to meet in person. **\*\*We only need 10 more volunteers!\*\***

For more information, please contact Laurie Bergeron, ext. 444 by **October 30th.**
